Longaberger Basket

The Westerville Alumni Association in partnership with Longaberger Company is considering a second rerelease of the WAA Logo printed lid. We are considering doing a recipe basket (with the alumni lid) and include recipes from WAA members. We are also considering to add some of the new spices available to Longaberger to make a wonderful gift for any alumni. Stay tuned for submission of your recipes to contribute to this wonderful fundraiser.

Want to share some recipes with your fellow Alumni Members?

Elementary School Trees

The Alumni Association will be sponsoring a shade tree drive for the playgrounds at Westerville elementary schools. The trees will be placed at the elementary school of your choice with a commemorative plaque. Look for more information coming this summer!
